CMG is the absolute hands down best place to get outstanding quality motion backgrounds and resources for your church services.

Josh Braner
Media Director

Great worship backgrounds at an even better price! So nice not having to go from site to site looking for high quality backgrounds and instead get them delivered right to you every month.

Nathan Ward
Staff Pastor

You won't find a better value than CMG's subscriptions. For our church plant, it was a no-brainer to be able to get fresh visuals for our screens every week. We use it all around our church.

Noah LaRoe
Lead Pastor

The fact that I don't have to look for fresh motions each month is worth it. They're always nice, trendy, and offer plenty of variety with the packs.

Nicholas Bishop
Worship Leader
